EIGHT PAGES.

BRIEF SESSION
OF CIVIL COURT.It Did Not Take Long to Dis-
pose of Accumulated
Business.

NINE CASES WERE SCHEDULED

And of This Number Not One Got as
Far as the Jury—Horse Deal Is
Continued—Stillwagon Cases Also
Continued.

Special to The Courier.
UNIONTOWN, Feb. 1.—Civil court
was in session this morning, the third
day of the second week. Judge J. Q.
Vine presiding, was on the bench
during the hour required to dispose of
business. Of the nine cases on today's
trial list, five were continued. Two
were settled before being called. A
voluntary non-suit was entered in an-
other, and in the ninth, the court made
an order, as the defendant failed to
appear. After several minor orders
had been made, adjournment was taken
at 9:55 and the jurors discharged
until tomorrow morning.

A horse deal was the cause of the
suit of Julius Hunsow against L. L.
Johnson to have been tried today, but
continued. The claim is for a balance
of \$112. Judgment was rendered in
favor of the plaintiff by Judge Daniel
St. Pierre of Uniontown, on May 3,
1910, and Johnson appealed from the
decision.

The defendant claims he has a full
and complete legal defense. On No-
vember 29, 1910, the plaintiff sold a
team to Johnson for \$155 which sum
the defendant says he paid, believing
that both horses were of equal value.
Shortly after the purchase Johnson
discovered that one of the animals
was almost blind. According to their
contract, the defendant says he was
to return the horse if not as revo-
luted and receive either another
animal or his money back. He got
neither, he claims, and states that
Hunsow is indebted to him for the
price of one horse about \$250.

Three cases in which the late Chas.
Stillwagon was defendant, were for
trial today. All were continued until
the estate is settled. Plaintiffs in the
cases are the Freeport bank and Max
Klein and Sons. The primary notes
were the cause. Two were held by
the bank for the amounts of \$800.75
and \$148.12. Both were drawn by
W. M. Rice to the order of Stillwagon.

The note in which Klein and Sons
are owners was drawn by Thomas L.
Krusch for \$200.
A voluntary non-suit was entered to-
day in the action of assumption brought
by J. Harry Johnson & Son, Union-
town undertakers, against the Inter-
sident and Protective Order of Elks,
No. 370, to recover \$210 with interest
from April 27, 1908. The death of Rob-
ert P. Jones in 1908 is the cause.
Johnson claiming that a committee of
the lodge composed of Charles M. Fre-
derick, Joseph J. Michaels and Dr. J. W.
Allen contracted with him for the em-
balming and furnishing the coffin.

The order declares that this was done
at their request. Fre, Michaels and
Allen, collectively or individually, had
no authority to make a contract on be-
half of the defendant, they claim, and
that neither the rules, regulations or
by-laws authorize such action.

Another case on today's list and con-
tinued was that of Ferdinand Glick
against Louis Costa, another appeal
by the defendant. Only \$116.25 is in-
volved, the result of an agreement be-
tween the plaintiff and Costa, John Agnandro,
whereby Glick granted the two the sole
and exclusive privilege for a period of
25 years to take stone from the quarry
on his land in Franklin township.

By the terms, Glick was to have a
rental of 10 cents a yard on every
yard quarried, the same to be paid be-
fore the 30th of each month.

The defendants agreed to quarry at
least 1,000 yards of stone and should
they fail to do so they agreed to pay
royalties to the amount of \$100 at least
for each year.

From November, 1907, to the same
month in 1908 stone to the amount of
\$52.21, only was quarried and \$7.73
is claimed due for that year. In the
next year only stone to the amount of
\$31.50 was taken out and \$63.50 is
claimed as the balance of the mini-
mum royalty.

Action was taken in only one case
this morning, that of the Keystone
Planting Mill Company of Connells-
ville against L. A. Hamilton of that
city, for \$118.21. This case was
brought into court, an appeal by the
defendant from a Justice's decision, in
accordance with Section 3, Rule 6, as
the defendant did not appear when
called. Judgment was directed to be
entered in favor of the plaintiff for
\$182.78, the sum asked, including the
interest.

The lumber company claim that be-
tween July 12, 1908, and October 8,
1908, they furnished Hamilton with
goods and merchandise to a value of
\$417.60. Credits bring this amount

ITALIAN ATTEMPTS TO
DRAW FRIEND'S MONEYBut Clerk in Bufano's Bank Recognized Him, Locked the
Door and Sent for Police.

Franceschini Filippo, an Italian from
Dunbar, this morning attempted to
draw \$50 from P. Bufano's foreign
bank and presented the book of his
friend, Antonio Alfonsi. One clerk was
just about to hand out the money
when Mr. Bufano's cashier interfered
with the transaction.
"That's not Alfonsi," he said. Then
he bolted for the front door, locked it
and sent for the police. Officer Rottler
and Mrs. Chief Mitchell answered the
hurry call and brought Filippo to the
lockup. They found a long knife on
him, some letters and two smaller

knives. The man refused to talk.
Banker Bufano came to the police
station short time after the arrest
and Filippo admitted he was attempt-
ing to steal the money. He did not
tell how he got the bank book from Al-
fonsi.
Filippo was prosecuted before
Squire W. P. Clark for forgery, having
signed a receipt for the \$50 in Al-
fonsi's name. Officer Rottler was pro-
secutor. The man was committed to
jail and will be tried at the March
term of court.

down to \$148.21. Judgment was re-
ndered in favor of the plaintiff by
Squire W. P. Clark on April 12, 1910.
In the case of Camella Pandolfi, a
domestic, against Mike Lauro, tried
yesterday afternoon a verdict in favor
of the plaintiff for \$221.97 was return-
ed.

Lauro lives at Mount Pleasant and the
girl says she was hired as a servant
on August 12, 1908, at four dollars a
week. After working 62 weeks she left
and Lauro refused to pay her, claim-
ing that he was her uncle and had tak-
en her from a reform school for the
purpose of raising her. She sued for
\$208 with interest.

Several cases to have been tried to-
day were settled. One was that of W.
H. Strickler against the Dunlap-Con-
nellsville Coke Company, an appeal by
the defendant. Justice John Brown-
field of Evanson decided in favor of
the plaintiff at the hearing in the mat-
ter on March 12, 1910, entering judg-
ment for \$22.50. Strickler's claim was
for \$51.25 wages.

Another case settled was that of the
Peoples Motor Car Company against
George Wythe and George G. Gans, the
Fayette Automobile Company of Un-
iontown. The amount involved was
\$320.

A rather peculiar defense was made.
Gans claimed that on January 15, 1909,
the parties involved agreed that the
sum owing between them was \$425.71
and that when this was paid the defend-
ant would be discharged from any
further liability. This amount was
paid on that date and a receipt given
as payment in full for all accounts
had with the defendant.

Yesterday Attorneys Howell, Stur-
dick and Morrow withdrew the case
and today it settled on receiving
\$250 from Gans.

Two Passengers
Killed on Southern

MEMPHIS, Tenn., Feb. 1.—Two pas-
sengers were killed and 15 others in-
jured today when the Memphis Spe-
cial, fast train from New York to
Memphis on the Southern Railway was
wrecked near Lime Rock, Ala. The
dead:

WILLIAM HILLINGS, New York.
JENNIFER J. JENNINGS, Chattanooga.
Company officials believe the train
was wrecked by robbers who had plan-
ned to rob the express car in which
was carried a large amount of money.
With the exception of the locomotive
the entire train was turned over. The
train crew rushed in the express and
stood guard until police and physi-
cians arrived from Huntsville, Ala.

ASSAULT AND BATTERY
Charge on Which a Local Man Is
Arrested.

A. L. Lowe of Connellsville was ar-
rested yesterday morning by Con-
stable William Rohland of Dunbar
township on a charge of assault and
battery made by Rella J. Lefchler
of Connellsville. He was given a
hearing last evening before Judge
P. M. Buttermore of the West Side and
held for court. Lefchler alleged that
Lowe struck him in the eye with his
 fist.

LAYING BIG PLANS
For Annual Literary Contest in Dun-
bar Township.

Extensive arrangements are being
made for the annual literary contest
of the Princeton and Leisenowen
Literary Societies of the Dunbar town-
ship High School.

The contest will be held in the
High School building at Leisenowen
on a date in February. Interesting
subjects have been selected and the
program promises to be one of extra-
ordinary interest.

HOSPITAL REPORT
During Past Month 38 Patients Were
Admitted.

Miss Mabel Craft, superintendent of
the Cottage State hospital this morning
submitted the following report for
the month of January:
Number of patients at the beginning
of the month, 19; discharged, 29; ad-
mitted, 34; remaining, 25; died, 2;
out patients treated 8; return visits,
21.

BROKEN IN HEALTH,
WOMAN TAKES LIFE.Mrs. Maria L. Byers Drown-
ed Herself in Dun-
bar Creek.

SUFFERED NERVOUS BREAKDOWN

Aged Woman Got Up at an Early Hour
This Morning and Walked Quarter
of a Mile to the Creek—Body Found
in Three Feet of Water.

Mrs. Maria L. Byers, aged 70
years, a life long resident of Dunbar,
in a state of mental derangement, wan-
dered away from her home on Connells-
ville street this morning and was
found several hours later drowned in
Dunbar creek. The body was lying in
three feet of water at the old pumping
station of the Cambria Steel Company.
Apparently Mrs. Byers had been dead
only a short time. The creek is high
from recent rains and the body was
washed over close to the shore.
Mrs. Byers had been suffering from
a nervous ailment for some months.
However, the members of the family
had not noticed any change for the
worse in her condition the last few
days. She was as usual when she
retired last evening.

This morning about 6 o'clock, Miss
Ella Byers, who slept in the same
room with her mother, gave the alarm
when she discovered that her mother
had gotten up, dressed and left the
house. It was some time before
traces of her was discovered. Then
her footprints were tracked across the
bottom to Dunbar creek at the Cam-
bria pumping station where the body
was found.

Mrs. Byers was a daughter of the
late John and Ella Spears. She was
a resident of Dunbar all her life, liv-
ing for many years in the old Spears
homestead. Her husband, David A.
Byers is dead. Mrs. Byers is survived
by two daughters, Miss Ella and Mrs.
Will Bowdoin, one sister, Miss Mattie
Spears and one brother, John Spears,
of Des Moines, Ia.

Mrs. Byers was president of the
Woman's Foreign and Home Mission-
ary Society of the Presbyterian church
of Dunbar and always took an active
part in church work. No ar-
rangements for the funeral had been
made up to noon.

Coroner H. J. Bell
Looks Into Suicide

Coroner H. J. Bell of Dawson, ac-
companied by Constable Charles Wil-
son, went to Rich Hill, in Dulska
township, this morning to investigate
the conditions surrounding the report-
ed suicide of Joseph Byler, who was
found dead yesterday morning by his
son, Arthur Byler. The matter was
reported to the Coroner yesterday.

Coroner Bell will look into the cir-
cumstances of the case before deter-
mining whether an inquest is neces-
sary. Byler shot himself through the
head during the night but the shot
was not heard by his son's family,
which occupies the upper floor of the
dwelling. Byler was a farmer.

Appraisers Make
Report on Haas

The appraisers in the estate of the
late Andrew Haas, have completed
their report. They have placed a
value of \$25,000 on the personal prop-
erty of the estate and \$75,000 on the
real estate. The exact figures have
not been given out.

It is stated that after all debts have
been paid the two orphaned children,
Lorenz and Julia May Haas will
receive between \$60,000 and \$70,000.
Bruce F. Sterling of Uniontown is
their guardian.

Condition is Improved.
The condition of Miss Anna Horner,
who has been ill at her home on West
Apple street, is improved today. Miss
Horner is a teacher in the local pub-
lic schools. Her mother, Mrs. Mary
E. Horner, who is taking treatment
for rheumatism at the South Side hos-
pital, Pittsburgh, is getting along very
nicely.

Engineer Killed.
James Courtney, a B. & O. engineer,
died today in the Mt. Pleasant hos-
pital from injuries received while
working under his engine yesterday.

Big Plant Destroyed.
Fire yesterday morning destroyed
the plant of the Minnow Manufactur-
ing Company at Manown, causing a
loss of \$50,000.

Rain or Snow.
Rain or snow tonight or Thursday,
warmer tonight is the noon weather
forecast.

GREAT BOOM COMING
IN STEEL BUSINESS.Harriman Lines Management Announce Proposed Expen-
diture of \$75,000,000 in the Next Five Years.

President Robert S. Lovett of the
Union Pacific and Southern Pacific
announced in New York yesterday af-
ternoon that the executive committees
of these two Harriman lines yesterday
voted to complete the double tracking
of the Union Pacific and Southern Pa-
cific lines from the Missouri river to
San Francisco. They also voted to
double track the Oregon Short Line
from the junction with the Union Pa-
cific main line at Granger, Wyo., to
Huntington, Ore., also the line along
Columbia river in Oregon to Portland,
a total of 1,673 miles.

The cost of the double tracking of
the lines as determined upon yester-
day will aggregate upward of \$75,
000,000, which will be distributed over
a period of five years. This news that
the railroads built by the genius of
the late Edward H. Harriman would
spend \$75,000,000 for improvements
and extensions during the next five
years was received with enthusiasm
throughout industrial and financial
Pittsburgh. Shrewd men saw in the
move the opening gun of a period of
prosperity to be unparalleled in Amer-
(Continued on Page Two.)

LOWER MANHATTAN
IS BADLY JARRED.Skyscrapers Rock and Glass
Is Shattered by Ex-
plosion in Jersey.

Thousands of Clerks and Stenograph-
ers With a Few Millionaires Thrown
in Caugh in Shower of Falling Glass
on Way to Lunch.

United Press Telegram.
NEW YORK, Feb. 1.—An explosion of
a carload of dynamite on a barge
alongside a pier of the Central Rail-
road of New Jersey in the Communi-
ty section of Jersey City at three
minutes past the noon hour today
worked a tremendous property dam-
age in that city that three lower Man-
hattan buildings to a point by shaking
the lower end of the city and sending
shattering vibrations through the sky-
scrapers of the district.

Amidst a scene and a number of in-
jured, mostly workmen on the neigh-
boring piers, were hurried to hospitals.
Several workmen were reported un-
der the rubble but up to 1:30 the police
have no definite information of any
actual fatalities. The barge and near-
by piers were destroyed and the ter-
minus of the Jersey Central railroad
badly damaged, broken glass and slats
from the roofs being piled in a jumble
about the entrance of the building. A
number of passengers in the station at
the time were slightly injured.

At the moment of the explosion hun-
dreds of thousands of clerks, stenog-
raphers and business men were pour-
ing from the office buildings of lower
Manhattan for the lunch hour. Scores
of these people were caught in the
rain of falling glass which showered
over the entire lower end of Manhat-
tan Island. Although most of these
sustained only slight injuries, first re-
ports made to police headquarters in-
cluded a number of serious accidents.
A fruit vendor at Morris street and
Broadway was nearly decapitated by
falling glass and a workman on a new
skyscraper was shaken from the roof
of the building upon which he was
working and fatally injured. Those
who had not yet reached the streets
experienced the sensation of an earth-
quake shock as the skyscrapers vibrat-
ed in the concussion. The force of
the shock was felt worst at the bat-
tery and diminished as it proceeded
north.

Herbert Moran's office, the Pro-
duce Exchange, the Standard oil build-
ing, the Singer building, the Customs
House and practically every big build-
ing on the lower end of the island suf-
fered from broken windows and Broad-
way was sprinkled with broken glass. The
police say that the back of fatalities
was the most serious of fatalities.
The shock of the explosion set off
fire alarms throughout the lower part
of the city and the numerous need-
less calls for police assistance, all
of which added to the confusion. In
the midst of the excitement a number
of horses stung by the falling glass be-
came unmanageable and the traffic
stood at a busy few minutes in the
badly congested streets.

At a late hour this afternoon the
cause of the explosion had not been
determined.

Going to California.
Mr. and Mrs. J. A. Guller and daugh-
ter, Miss Ella Guller, will leave tonight
for Pasadena, Cal., where they expect
to remain for several months.

Attends League Meeting.
H. L. Mitchell of the Connellsville
Athletic Association is attending a
meeting of the Central Basketball
League in Pittsburgh today.

One Drunk In.
One drunk fell 18 hours before
Burgess Evans in police court this
morning.

Half Breed Murderer Con-
victed.
TRENTON, N. J., Feb. 1.—(Special.)
John Sears, half breed murderer of the
Rev. and Mrs. Amos Armstrong at
Dutch Neck last Thanksgiving eve,
was found guilty today of first degree
murder. He will be sentenced to
death later.

Burgess is Proud Parent.
Burgess J. C. McGill of Dawson is
the proud father of a bouncing 10
pound baby boy which arrived at the
McGill home this morning. Mrs. Mc-
Gill was formerly Miss Byrd Henle of
Lawn.

Ten Sand Hogs Killed.
NEWARK, N. J., Feb. 1.—(Special.)
All 10 bodies of the negro "sand hogs"
who met a frightful death last night
in a caisson under the bed of the Pas-
sanic river, were recovered today.

GOOD ROADS TRAIN
HEADED THIS WAY.It Will Arrive at Noon Next
Monday for a Brief Stop
in Town.

ILLUSTRATED LECTURE GIVEN

Dean Jackson of the State College
School of Engineering. Talks on the
Work Being Done to Promote Good
Roads in the State.

The good roads train of the Pennsylv-
ania railroad is headed this way and
will arrive at noon on February 3 for
a brief stay. The train will be here
until 2:30 the same afternoon, remain-
ing long enough for an illustrated lec-
ture and to give those interested in
good roads an opportunity to examine
the exhibit cars. Speaking of the good
roads train, which the Pennsylvania
railroad is operating in cooperation
with State College, the State Highway
Department and the Office Public
Roads of the Department of Agricul-
ture, Dean John Price Jackson, Dean
of the School of Engineering at State
College says:

"The value of good roads is beyond
argument, and good roads are con-
sidered to be of the utmost importance
to the property of all communities,
and especially to the farmer. A good road
passing through a farming district and
extending to a town gives many advan-
tages, of which the most important are
cheaper transportation, better social
conditions, and increased value of
property."

"In order to have these conditions
in every locality, it is necessary to
have the best road that can be con-
structed by the means available. The
State has constructed roads of stone
and brick in many localities, but not
in all. For many years it will be nec-
essary for the townships to keep the
greater part of the roads in good con-
dition with the material and means
they are able to procure. The State
Highway Department gives engineer-
ing assistance and advice for this with-
out charge."

"To demonstrate the value of good
roads to the public, to show the differ-
ent forms of construction and differ-
ent kinds of machinery used, both man-
ufactured and home made, a Good
Roads Train is visiting the different
parts of the State, having stops in
Harrisburg on the 25th of January.
This train is under the direction of
the Pennsylvania State College, which
has the cooperation of the State High-
way Department, the United States
Good Roads Office, of Washington, D.
C., and the Pennsylvania Railroad
Company. Instructive lectures on good
roads construction are given; and pic-
tures and models of different forms of
road construction are shown, as well
as the various kinds of machinery
used."

"You are earnestly urged to do your
utmost to create the proper interest in
this matter, so that every person
who can be of influence may be pres-
ent, when the party reaches your part
of the State, and aid in making this
train, which is costing many thou-
sands of dollars to operate, an efficient
medium in stirring up an active
popular interest in good roads through-
out the State. The train will reach
Connellsville at 12 M., February 6th,
leaving at 2:30 P. M. the same day.
During this time the exhibit cars
will be open, and illustrated lectures
delivered."

Chamber Directors
Hold Their Meeting

The regular monthly meeting of the
Chamber of Commerce was held yester-
day afternoon. Routine business
was transacted and many matters dis-
cussed.

The Directors heartily endorsed the
Municipal Committee for its efforts in
securing a reduction of mercantile in-
surance rates; the water, light and
gas Committee in arranging warning
signals when gas is turned off; and
the State Roads Committee for its ef-
forts towards securing a State Road
between Uniontown and Connellsville.

Hospital Burns;
Patients Escape

UNITED PRESS SPECIAL.
ALTOONA, Pa., Feb. 1.—In blinding
and stifling smoke and flames a dozen
patients were taken from the Mercy
hospital here during a fire at 2 o'clock
this morning. Volunteer fire fighters
working under the direction of a force
of cool and calculating nurses carried
out the patients.

When the last of these left the
building the nurses gathered a few
of their belongings together and fled
from the structure. No one was seri-
ously injured.

Half Breed Murderer Con-
victed.
TRENTON, N. J., Feb. 1.—(Special.)
John Sears, half breed murderer of the
Rev. and Mrs. Amos Armstrong at
Dutch Neck last Thanksgiving eve,
was found guilty today of first degree
murder. He will be sentenced to
death later.

Burgess is Proud Parent.

the proud father of a bouncing 10
pound baby boy which arrived at the
McGill home this morning. Mrs. Mc-
Gill was formerly Miss Byrd Henle of
Lawn.

Ten Sand Hogs Killed.
NEWARK, N. J., Feb. 1.—(Special.)
All 10 bodies of the negro "sand hogs"
who met a frightful death last night
in a caisson under the bed of the Pas-
sanic river, were recovered today.

HEALTH OFFICER GIVING ADVICE.

Tells of Precautions to Be
Observed to Prevent
Sickness.

SPEAKS FROM EXPERIENCE

Has Been in Sanitary Service for 11
Years and Wants This Spring to
Bring Less Sickness Than Ever
Before.

There has been less sickness than usual in town this winter and Health Officer Hyatt is anxious that this condition shall continue. To this end he makes some pertinent suggestions regarding various matters pertaining to public health and sanitation and calls attention to the fact that he has for the past 11 years been actively engaged in sanitary work and knows what he is talking about.

Health Officer Hyatt has prepared an article of five sections which are about everything, he thinks, and if his suggestions are carried out there will be less sickness than ever before. The approach of spring and the cleaning up season caused this activity on the part of Officer Hyatt.

The care of wells and springs is the first subject taken up. Mr. Hyatt states that much sickness is caused by impure water and especially spring and well water. In order to protect the water all wells should be cemented at least four feet above the surface, should have a tight wooden or cement cover and should be cleaned regularly twice a year, in the spring and fall.

With the well or spring properly protected, the condition of surroundings is next to be thought of. No closet, pig pen or stable should be built above a well or spring. All sewage, waste, drainage and surface water should be so cared for that it does not pollute the water. The slightest leakage into a stream that is used for drinking purposes or to water animals, in connection with this the Health Officer calls attention to the necessity for keeping the water sheds free from impurities.

Dairymen are directed to have their stables warm, dry and clean. The cows should also be kept clean and be furnished with fresh, clean bedding of straw. Milk is to be kept in rusty cans and all cans must be properly cleaned.

Sick cows should not be kept in the same stable that houses healthy bovines and a milk from a lame or crippled cow should be used. Milkmen should be careful to have clean hands when milking and a clean white apron is to be recommended. Night's milk should not be mixed with that of morning and skimmed milk should be so called when it is sold. Milk must not be adulterated either with chalk, the old fashioned pump or any other ingredient.

Regarding slaughter houses Hyatt says they should be kept clean and waste and refuse is not to be dumped along streets. No diseased cattle should be slaughtered for domestic use.

Butcher shops must be clean, the meat fresh and sound, and should be kept in a cool and dry place. No meat must be exposed to the dust from the street in dry weather.

Farmers should keep their barnyards and stables clean and dry and their cows clean. Clean all rotten and decayed vegetables from cellars and keep them well aired and sprinkled with lime.

As a parting shot, Mr. Hyatt reminds physicians that cards for contagious diseases should be filled out promptly and properly.

New Railroad Commissioner.
Governor Taylor today will appoint Judge James W. Smith of Perry county, to be railroad commissioner to succeed John V. Boyd of Harrisburg, whose term expired on January 1.

GREAT BOOM COMING IN STEEL BUSINESS.

Continued from First Page.)
can history, one which, founded on sound conditions, will endure for many years, and in which Pittsburgh would have a great share.

Not only in the actual money to be expended in the plan of sweeping importance, but the chance for the better it will make in the business and trade sentiment of the Nation as a whole will be of greatest value. During January the clouds have disappeared from the business sky in large measure. Now with the opening of February comes news which will act as a signal for revival of confidence and reawakening of activity.

The importance to Pittsburgh of the Harlan program, it was no general opinion among men of affairs yesterday, cannot be overestimated. A great share of the orders for steel rails, equipment and supplies of all sorts will, through the natural channels of trade, come to Pittsburgh by the order of Harlan expenditures. Then, if the sentimental effect is as great as many of broad view believe it will be, many millions in addition will be spent in "the workshop of the world" by great corporations of every sort. There will be work in plenty for all Pittsburghers, and prosperity for capitalist and workman.

Freaks of Flood at Monon. City

"What ho, skipper!" hailed the bar-keep of the Hotel Main in Monongahela City when Skipper James Gill, who is porter of the saloon whenever the river is not at flood height, rowed up to the bar yesterday morning with a skipper load of thirty humanity. The lowlands of Monon City were inundated.

"Two whisky straight to port and a heater and cooler in the bow," requested Skipper Gill. Poling his raft up and down behind the bar the mixologist gathered together the materials and served the drinks. Monongahela City looked down on the suffering humanity even though the river floods their cafes, and it is possible to get drunk on water in that neck of the woods.

The Hotel Main was the port of refuge for the men who fled from their water-logged homes. Business was big, and Skipper Gill made many trips. Men had to take their turns getting to the barroom of the hotel, for the demand for drinks was so heavy that the skipper could not accommodate all prospective customers.

The Hotel Main is a five-story brick building in Main street, and is one of the most popular resorts in Monongahela City. The flood covered the barroom floor to the depth of three feet Monday and Tuesday. With the subsidence of the water Skipper Gill resumed his duties as porter.

Margaret Shipley Out of Her Trance

Margaret Shipley, formerly of Leamont, now of McKeesport, who has been heralded as a "second Savior," who was evangelizing the world, heal the sick and lame, and perform many other miracles, who has been fasting for eight days in the belief that her eyesight would be restored, is slowly realizing that she has been the victim of an hallucination, and that she is composed of ordinary clay, as are other mortals, and is not endowed with any supernatural qualities.

The blind girl's fast ended yesterday morning. It was without incident, and that she was in a trance for the greater part of the time during the last eight days, expressed a strong desire for something substantial to eat. It was given her a liberal portion of milk toast, poached eggs and coffee.

TIRED, RUN DOWN PEOPLE

A North Carolina Man Suggests a Remedy.

GREENSBORO, N. C.—"For a long time I was so run down and debilitated that I could hardly drag around. My appetite was poor and I could not sleep nights. I had tried different so-called tonics without benefit. I was advised to try your cod liver and iron tonic, Vinol, and I am so glad I did, for it gave me a hearty appetite. I feel strong, well and more active than I have for years. Every run-down or debilitated person should just give Vinol a trial." K. Allbrook. (We guarantee this testimonial to be genuine.)

What Vinol did for Mr. Allbrook it will do for every weak, run-down or debilitated person in this vicinity. To show our faith we will furnish the medicine free if it does not do two things. Come in and get a bottle on these terms. Graham & Company, Druggists, Connelville, Pa.

CIVIC PRIDE.

People Everywhere Are Taking a Deep Interest in Good Government.

All over this broad land, in almost every city and town, the gospel of civic righteousness is being preached. The people are aroused to the fact that they, themselves, are responsible for the good government of the community in which they reside and it is generally held that before a man can take a vital interest in the town in which he lives he must have "something at stake." The good citizen saves his money and builds or buys a home, and it has been proved by long experience that the easiest way to save money is to open a Savings Account with a good bank and make regular deposits. The First National Bank in Connelville and pays 4% interest. \$1 opens an account.

SILVER THIMBLE CLUB

Members the Guests of Mrs. S. T. Benford Yesterday.

Mrs. S. T. Benford entertained the Silver Thimble Club yesterday afternoon at her home on North Pittsburgh street. The hours were from 2:30 until 5 o'clock. The afternoon was pleasantly spent at fancy work and at 1:30 o'clock refreshments were served. Mrs. Stanley Morris will entertain the club Tuesday, February 11.

Wash Those Pimples Off.

Use D. D. D. that mild, soothing wash, that recognized remedy for Eczema and all skin troubles. First drops take away that awful burning itch, cleanse the skin—wash away every pimple—every impurity. Nothing like D. D. D. for the complexion. Get a 25¢ trial bottle today—worth ten times its cost to have a bottle in the house. At any rate, drop into our store to talk over the merits of this wonderful preparation. J. C. Moore, Druggist, Water street.

Wants, for rent, for sale, etc., cost only one cent a word.

MRS. CLARKE ASKS DIVORCE

H. C. Frick's Cousin Charges Husband With Neglect.

WOOSTER, O., Feb. 1.—(Special.) Mrs. John Frick Clarke, a cousin of H. C. Frick and youngest daughter of Jacob Frick, deceased, yesterday afternoon filed a petition for divorce from Victor Clarke, a musician of New York, charging with abuse and gross neglect. The Clarks met six years ago when both were members of the American colony in Dresden, Germany, and married on short acquaintance, journeying across the Atlantic to be married in New York and taking the next steamer back.

Clarke was elected assistant director of an orchestra in Dresden, which he brought to America for a brief tour. The venture was a financial failure, and cost Mrs. Clarke over \$30,000. Troubles arising over this alleged misrepresentation to Mrs. Clarke at this time led to their separation. Mr. Clarke comes of a prominent family in Indianapolis, Ind.

Sheriff Shields Surcharged \$42,641

GREENSBURG, Pa., Feb.—John D. Hittelman, controller of Westmoreland county, in his annual report which was filed yesterday, surcharged Sheriff John E. Shields with \$42,641, alleging the amount to be due the county from the sheriff, being the profit paid to him by the sheriff during the year 1910 from forwarding detainees to the coal companies during the strike. This is the first official act following the hearings of the sheriff's accounts as conducted by Controller Hittelman. In addition to his annual report Controller Hittelman makes a statement in which he takes the position that a salaried officer is entitled only to the salary fixed by law and is not entitled to run his office for private profit.

Frank Tipton Here; Wild West Films

Frank A. Tipton, a former Connelville boy, arrived in town this morning for a two day stay. Frank has the state rights to the Buffalo Bill Wild West pictures which are showing at the Soloson today and tomorrow. He left Connelville a few years back and broke into the moving picture game. Of late he was located in Kansas City, Mo.

Tipton was with the Powers people, the elite of the film business, until he took the Wild West films out on the road. He says the pictures are doing good business.

The entire wild west and far east performance is shown on the moving picture screen in the attraction at the Soloson for two days.

THE POWER OF INTEREST.

WHEN a certain bank was moving into new quarters, the currency and coin on hand was packed in a special safe which required four men to move it, and the interest which accumulated while they carried this valuable burden into the new quarters was equivalent to their combined wages for an entire week. This is an illustration of the power of accumulative interest. Any title money which you have on hand should be deposited with this bank which pays interest at the rate of 4% per annum. The Citizens National Bank, Connelville, Pa.

WOMAN'S GUILD

Of the First Baptist Church Meet With Miss Marshall.

The Young Woman's Mission Guild of the First Baptist Church held its regular monthly meeting last evening at the home of Miss Anna Mary Marshall on Johnston avenue. Miss Marshall and Miss Norma Woodall had charge of the program. Papers were read by Misses Mary Diersel, Eleanor Marshall and Norma Woodall. The Guild is arranging for an entertainment "A Trip Around the World," to be held about March 17. A social hour and refreshments followed the business meeting.

Fifty Years Ago Today.

Feb. 1.
The United States mint and custom house at New Orleans were seized by Louisiana. Texas withdrew from the Union.

Twenty-five Years Ago Today.

W. E. Gladstone was appointed premier of Great Britain for the third time by Queen Victoria and empowered to form a new cabinet.

SOCIETY.

Auxiliary Meeting.

The monthly meeting of the C. W. B. M. Auxiliary of the Christian Church will be held tomorrow afternoon in the lecture room of the church. Mrs. Herbert Prishke is leader and Mrs. Robert Norris hostess.

Will Sew All Day.

The Ladies' Sewing Circle of the First Baptist Church will hold an all day meeting tomorrow in the sewing room in the Masonic building. All members are invited to attend.

Guid to Hold Social.

The Ladies Guild of the Episcopal Church will have a social in the church basement Friday night, at 8 o'clock. There will be several features of the entertainment besides ice cream and cake. Admission 10 cents. Bridge at Country Club.

Mrs. James A. Childs was hostess at a delightful bridge party Monday evening at the Uniontown Country Club in honor of her sister and house guest, Mrs. George Jackson Bissell of Pittsburgh. Seven tables were in play and at 11 o'clock a well appointed luncheon was served. The prizes were small gift boxes for the ladies and hat brushes in leather cases for the men.

Yesterday afternoon Mrs. Theodore Bliss entertained at her home in Uniontown in honor of Mrs. Bissell and this evening Mrs. P. M. Semans, Jr., will entertain at bridge at her home "Mount View" in honor of Mrs. Bissell and Miss Jessie Ewing.

To Entertain Card Club.

Mrs. O. L. Eaton will entertain the Thursday afternoon Card Club Thursday afternoon, February 9, at her home on South Pittsburgh street.

Bridge Party.

Mrs. Charles Davidson, Mrs. Frank Davidson and Mrs. Harry L. Mitchell have issued invitations for a bridge party to be given Friday afternoon, February 10, at 2 o'clock at Mrs. Davidson's home on North Pittsburgh street.

Mission Band Meeting.

The Girls' Mission Band of the First Presbyterian church met yesterday afternoon at the home of Miss Blanche Posselman on Cedar avenue. There was a large attendance and business of a routine nature was transacted. Refreshments were served and during the social meeting several musical selections were rendered.

A Spelling Contest.

The students of the Douglas Business College held a spelling contest last evening in the college rooms on the fourth in the First National Bank building. Miss Mattie Gilbert, a former teacher in the school, was the champion speller. The contest was preceded by a short business meeting of the D. B. C. Club composed of students and ex-members of the college.

Slap, Lick, Listen.

DEATHS.

Joseph G. Carroll, aged 70 years, father of Mrs. Helen Carroll, a teacher in the local public school, and of Attorney Milton Carroll of Uniontown, is dead at his home at Huntington, Pa. He had been ill for some time past.

Mr. Carroll resided in Dunbar up until 9 years ago when with his family he moved to Huntington, Pa. to reside. He is well known throughout Fayette county and was highly respected by his many friends. His widow and a family of grown children survive. Mrs. Omer Woods of the West Side, is a daughter. The body will arrive in Uniontown tomorrow morning and will be removed to the son's home at Connelville on Galtin avenue, from which place services will be held.

UNIONTOWN, Feb. 1.—Mrs. Rosa (Piemont) Seagriff, aged 72 years, died this morning at 2 o'clock at her home on West Fayette street, after suffering from a stroke of paralysis with which she was stricken several weeks ago.

Mrs. Seagriff was a daughter of the late Robert P. Piemont. Mr. Piemont was born in Greene county and died in San Francisco, in 1878. Mrs. Seagriff was married to Col. Thomas H. Seagriff on October 1, 1857. To them were born four children, Emily, William, Milan, and Annie, the latter dying young some years ago.

Mrs. Seagriff's husband, Col. Thomas H. Seagriff, was one of Fayette county's most famous characters, both public and private life. During his life Col. Seagriff was actively engaged in politics of the county and was a member of the Democratic party. Col. Seagriff was the author of "The History of Fayette County," which is the best existing history of the National Pike. Col. Seagriff died April 6, 1910.

ADVERTISING. THE DAILY COURIER is the only daily newspaper in the Connelleville area which has the honesty and courage to print a daily report under oath of the exact number of copies it prints for distribution. Other papers put forth some extravagant claims, but furnish no figures. Advertising rates on application. THE WEEKLY COURIER is the recognized organ of the Connelleville community. It has special value as an industrial journal and an advertising medium for such interests.

WEDNESDAY EVENING, FEB. 1, 1911.

SENSELESS CLAMOR AND RETURNING HOPE.

The announcement this morning that the Harriman railroad system, which includes the Union Pacific and Southern Pacific, will be double-tracked at a cost of \$75,000,000, and that the work will begin at once with a view to its completion within two years, approximately \$15,000,000 to be expended annually, indicates that the railroad has determined to resume the march of progress, confident of the justice of the Government and the People.

Their confidence will not be misplaced. The sentiment is growing that the railroad has been harried and heckled long enough, and that they should have fair play. It is high time the American people were arriving at this just conclusion. There is nothing essentially evil in the corporate form of combined capital, and the demagogical outcry against the "Trust" is unwarranted. The regulation of corporations should only be that regulation which the law exercises in the case of individuals. Every individual is required to conduct his business honestly and justly. With slight modification, the same rule will apply to all corporations.

Trust-baiting should be stopped, but there should be no compromise with any corporate interest that is not playing fair with the people. This has been the policy of the trust administration, and it is beginning to be well understood by corporate capital, which is always willing to expand its operations if assured of fair play and protection from those pestiferous "puncher" buses which make their homes in political caucuses and legislative halls. The "Trust" have been tossed about and misused up long enough. Politics will have to find a new piskin. The people are wearying of the industrial depression caused and continued in a large measure by the increasing and senseless outcry against everything corporate.

It is gratifying to sensible people to note that this clamor is subsiding and that the people are becoming more once more; and it is a noteworthy fact that, as he dies away, industrial activity returns, and receding prosperity sits up and takes notice. The Connelleville area has had a bad year. It will heartily welcome the incoming tide of prosperity. The Harriman order for steel rails will widen its fiery skyline, restore the confidence of its people and give them a heartening prospect of a brightening future.

STATE AID FOR SEWAGE DISPOSAL PLANTS.

The Chartered Mail, discussing the proposed enforcement of the order of the State Department of Health for the installation in all communities of sewage disposal plants, to the end that the streams of the state shall be free from contamination, says:

For the introduction of a bill in the Legislature by Representative Krayer of Dauphin county a move is started to help solve the sewage disposal problem which the State Commissioner of Health is insisting that most municipalities located on the rivers and streams must install at the earliest possible time. These systems are essential for the preservation of the health of the people, yet the cost and financing is a proposition which many municipalities cannot well meet and carry out.

In most cases the order from the Health Commissioner to install is not a matter of choice, but a matter of necessity. It is an item of expense which the heretofore and cities never calculated on and to meet it interference with other items of expense, and it is a matter of necessity. By having to install a sewage plant, which is an enormous item of expense, bond issues will have to be floated in most cases, and many public establishments, towns and cities will be entailed. Inasmuch as the State knows this additional obligation for the State to come to the aid of those communities whose financial conditions will not permit them to constitutionally incur the additional indebtedness incident to the construction of sewage disposal plants.

STOPPING BORDER RUFFIANS. At the request of American interests in Mexico, the United States is keeping close watch and stopping shipment of guns from this country to Mexican revolutionists.—News Item.

In doing so the State will not be violating any old precedent or establishing any new or radical one. The State gives millions of dollars annually to the common schools, the public highways, the charitable institutions and other objects deemed worthy of public support. Public education is a public blessing, good roads are a great convenience, charity is a communal obligation, but the preservation of the public health is necessary to the life of the republic.

WHEN THE JURY JUDGES THE LAW. The decision of a Fayette county jury, that a tax sale is not a real sale of property in this county, is startling, to say the least.

If this rule of law is established, it will be difficult if not impossible to collect taxes in Fayette county. If a man's property may not be sold and its title divested at tax sale, a great many owners of real estate will pay their taxes in the sweet by-and-by, and some of them won't pay them. Perhaps the jurors were not good judges of the law.

The unscrupulous wretch who would steal a man's wedding suit has a stony heart and is it only for the county stone quarry or the public stone pits.

The Factory Inspector has been siding up Connelleville's tall buildings and some of them will have to put out fire escapes in order to escape the penalties of the law.

The Good Roads boomers should not travel around in a railroad train if it is bad weather. They should tour in a hay wagon. Some people do not appreciate the importance of observing the proprieties.

While the statesmen at Harrisburg are proposing to sell the State's forest land, the Federal Government is hoarding its reservations. Pennsylvania will do well to follow the example of the nation.

Some fastidious angler has been trying to stock the Youngs Bay river with gold fish. He couldn't have been a Bryan Democrat.

If the New York Democratic members of the Legislature do not watch out the Republican members will elect their "Scout" for them. If the Republicans do the business, they may be depended upon to do it right.

The home building and loan association is the only one worth considering if it may be it will not be much more convenient to her, besides, there won't be any new county.

The Westmoreland county miners who are on strike have some very bad companions. Men who would poison innocent children cannot hope to have the sympathy of the public.

It's well to mix a little self-suspicion with self-respect.

Bellevue is engineering the new county movement. Bellevue is wrong. She cannot hope to become the county seat, and whatever the county seat may be it will not be much more convenient to her, besides, there won't be any new county.

Scotland's Boy Scouts are preparing to overrun the country. They won't hurt the country and they will do themselves a lot of good.

The Fayette county roads have been indexed and mapped and there is now an excuse for travelers not knowing where they are at.

Robin, the defaulting and defunct New York banker says he is busy. He is mistaken. He is a bird and he will hereafter live in a cage.

Pittsburg is still dreaming of subways. Why doesn't it wake up?

McKensport's blind girl has more faith than light. The people who played upon her hopes should be called to account.

Mayer William A. Mages of Pittsburg is a busy man these busy days.

Uncle Sam had better take out a policy of insurance on Philadelphia and many public establishments, towns and cities will be entailed. Inasmuch as the State knows this additional obligation for the State to come to the aid of those communities whose financial conditions will not permit them to constitutionally incur the additional indebtedness incident to the construction of sewage disposal plants.

CHAT WITH OUR CONTEMPORARIES.

The Mount Pleasant Journal urges the citizens to petition the Pennsylvania railroad to complete its local branch to Leeds and give the town a passenger service "to all points north and south."

Stout Pleasant is awakening to the importance of being on the main line.

The Latrobe Bulletin has visions of the Pennsylvania railroad acquiring the line to Somerset and making Latrobe a terminal town of importance. The dream is not impossible. Latrobe should try to make it good.

The Johnstown Democrat cordially endorses the Dunn bill requiring coal operators to provide suitable quarters for their men and women. The bill is a good one and should be passed.

The movement is spreading without compulsion. It is a good one and should be passed.

Libel Suit of King George of England Against Parisian Paper, The Liberator, Promises Sensation

LONDON, Feb. 1.—An international sensation is promised in the suit of King George of England against the Parisian paper, The Liberator, which has been published in Paris since 1848. The suit is based on the fact that the Liberator has published a series of articles which are said to be libelous to the King and Queen. The suit is being brought by the King and Queen, and is expected to be a sensational one. The Liberator has been published in Paris since 1848, and has been a leading paper in the city. The suit is being brought by the King and Queen, and is expected to be a sensational one. The Liberator has been published in Paris since 1848, and has been a leading paper in the city. The suit is being brought by the King and Queen, and is expected to be a sensational one.

Sammy—Let's ride together on this new sled, Sis? The new reciprocity treaty between the United States and Canada will soon be in force.—News Item.

Musical Organization Secures Use of a Study Hall—Picture Show May Be Held in Schools—No Going Unwillingly To One's Doom.

Special to The Courier.
SCOTSDALE, Feb. 1.—When the school board met they accepted the resignation of Miss Anna Cypar, a substitute teacher, and Miss Anna Silley and Miss May Gibson were elected substitutes. It was reported that the building is working in good shape, although there had been some previous complaint that one room did not come up to the others in heating. The use of coal is now going on and about a curfew hour is necessary, so that Secretary O. L. Hess was given authority to let coal be used after this. A bill of the Pittsburgh Heating Company for \$1,000.31 and a couple of small bills were ordered paid.

The grading and paving of South Chestnut street is being neglected and the board authorized President R. P. Percy and Secretary O. L. Hess to sign the petition for the same. Those who have been ordered to draw a great while ago have failed to get here.

Supervising Principal Landis Tanager gave in \$200 collected for tuition. Secretary Hess received everything in good condition in the High School during his visit this month. As he is now all along Chestnut street walks and a vigorous complaint was registered about the condition of the street, for nothing has been done there although it was arranged for something ago by the board.

The first half of the year and the examinations consequent upon it, are both over and Principal Tanager reported that everything had gone well. It was said that parents are now notified whenever pupils are getting behind in their studies and where there is danger of falling and good effects have been apparent. It used to be that pupils seemingly went to their doom and were cut off so they said. They will be kept posted when grades are not up to standard. So will their parents.

The Saturday Afternoon Club requested that the board secure an exhibit of pictures now at Latrobe, so that some pictures may be chosen for the schools. The exhibition company wanted to charge an admission fee and have the teachers and pupils sell the tickets. The board and Principal thought that the teachers and pupils have enough to do. A motion was passed that if the company were fit to bring the exhibit here and show the pictures in prospect of possible sales the board will grant the use of suitable hanging rooms.

J. H. Cramer in behalf of the Scottdale Choral Society asked if the society might have the use of a study hall one night a week. He explained that the society was a non-sectarian one for mutual improvement and any proceeds from concerts is the society's property. The society expected to buy a piano from concert money and if given use of the room would turn the piano over to the schools. A motion was passed granting the use of the room. This will be subject to certain conditions to be agreed upon by the committee of the board consisting of Robert Simpson, A. L. Keister and Dr. C. L. Hess.

The tax matters of George Kromer, which had been passed upon by the Council, was brought before the board by Collector S. H. McMillan and Assessor R. H. Hill. Mr. Kromer's lot just outside of the borough was assessed in both East Huntingdon and the Borough. He paid taxes in the Borough and then was started when he found out in the township this same tax. An error in numbers had placed an assessment against him in both places. Council gave him back his money and he did the School Board. Now he will pay this over to the township and expects to get his lot back.

FREE BOOK ON PILES

Tells How To Cure Them With Internal Medicine.
Do you know the cause of piles? Is it internal or external? Will salves, suppositories or cutting remove the cause?
How can one be cured permanently? Do you know how Dr. J. S. Leonard found the cause and cure?
All these questions answered fully in a booklet mailed free by Dr. Leonard Co., Station B, Buffalo, N. Y., or at A. A. Clarke's, who sells the successful remedy. Free-Road, under guarantee, at \$1 per large bottle. 11

Will Wed This Month

Announcement has been made of the coming marriage of Miss Mary Yahner of Scottdale and James Conway of Brookvale. The wedding will take place this month some time. Miss Yahner is a daughter of Mr. and Mrs. V. Yahner of Scottdale and a sister of F. A. Yahner of Conneltsville.

Read The Daily Courier.

The Evangelists Drawing Big Crowds to Tabernacle at Brownsville.

Special to The Courier.
BROWNVILLE, Feb. 1.—Evangelists Davis and Mills are meeting with splendid success in the evangelistic campaign at Brownsville. They were met on their arrival by the committee and a large delegation of citizens who had gathered in the storm and sang hymns as the evangelists alighted from the car. The committee escorted the evangelists to a hotel, where a dinner was served in their honor, preceding a committee meeting. The meetings are being backed and supported by the most prominent people in town. During the first week the Central Christian church has proved inadequate to accommodate the crowds that have endeavored to gain admittance. Although the preaching thus far has been mainly to the church members, at the first opportunity a large number of men came to the front and announced their determination to begin a Christian life.

An open air meeting was conducted on the street Saturday evening and hundreds of people listened attentively to the singing and the addresses by the pastor and the evangelists. The tabernacle was opened Sunday and has occurred in a long time a thousand men were present at the men's meeting and a large number publicly expressed their determination to begin the Christian life. The evening services brought similar results. The people of Brownsville declare that the greatest revival that the city has ever known is in progress and everybody is talking about the meetings and the developments that are expected to take place. The committee and everybody connected with the campaign are working hard. Many of the most prominent citizens are in the campaign and it looks like a sweeping work. Special efforts are expected to run to bring people to the meetings.

The largest audience of young ladies over gathered together in Brownsville attended a special service for young women at the Tabernacle last evening. A chorus of men under the direction of Mr. Mills led the singing afterwards marching to the Central Presbyterian church where Mr. Mills conducted an interesting service.

At the Tabernacle Evangelist Davis addressed the young women on "Some Things a Young Woman Ought to Know." He told of the peculiar temptations and dangers that beset girls and young women and gave much information as to the methods used to lure girls into the white slave traffic. He also told of the dangers and results of marrying young men who have sown their wild oats, declaring that one half of the operations upon married women are caused by the influence of the husband either before or after marriage. Although crunched in language not to be misunderstood the speaker was chaste in every utterance and the audience largely commended the address.

Pupils Who Lead in School Work

Pupils of the Immaculate Conception School who attended an average of 90 per cent. or over in the monthly test of January, 1911, are as follows:
Room No. 8, highest average, girls, 92 per cent. Alfred Aldridge; girls, 90 per cent. Margaret Doyle; over 90 per cent. Loretta May, Frances Friel, Veronica Rush, Francis Church, Thomas Cunningham, Edward Sudzik, Gertrude Wiedinger, Anna McElroy, Margaret Burns, Mary Costello, Eleanor Rush, Bridget Gallagher.
Room No. 7, highest average, boys, 92 per cent. William O'Connor; Winifred Rush, 93.27; over 90, Teresa Burns.
Room No. 6, highest average, girls, 95.27 per cent. Anna Donnelly; boys, 95.17 per cent. William Rush; over 90 per cent. Adrienne Solson, Virginia 95.17 per cent. William Rush; over 90 May Gallagher, Irene Hunt, Charles McGrath, Theresa Murphy, Mary Noland, Nettie Opperman, Mary Schilling, Anna Solson.
Room No. 5, over 90 per cent. James Ahl, Margaret Aldridge, John Carberry, Pauline Galla, Catherine Menster, Margaret Neville, James Patterson, Mary Quinn, John Rush, Veronica Sikora, Mary C. Solson.
The pupils who have not absented themselves one session during January are as follows:
Room No. 8, Alfred Aldridge, Thomas Cunningham, Thomas O'Hara, Edward Sudzik, Charles White, Anthony Sikora, Mary Costello, Mary Paulin, Margaret Doyle, Francis Friel, Bridget Gallagher, Alice McGivert, Eleanor Rush, Gertrude Wiedinger. The pupils of room No. 8 having the highest average attendance outdistances them to a short session.
Room No. 7, William O'Connor, John Reese, William King, Donald Johnson, Francis McCullough, Teresa Burns, Anna Murphy, Elizabeth McCusker, Josephine Fleckenstein, Eleanor Brown, Anita Gaudin, Margaret King, Loretta McCullough, Katherine Condon.
Room No. 6, Catherine Brady, Virginia Cuneo, Marie Cuneo, Helen Collins, Ray Cunningham, Albert Courtney, Fieda Donnelly, John Dolan, Emma Fisher, Mary Gallagher, Ray Kaylor, Clementine Licking, Charles McGrath, Mary Noland, Nettie Opperman, Timothy Sullivan, Anna Sudzik, William Rush, Ray Solson, Adrienne Solson, Mary Schilling, Alice Walsh.
Room No. 5, James Ahl, Mary Aldridge, John Carberry, Julia Duffy, Thomas Flanagan, Vincent Flynn, Pauline Galla, Lawrence King, Mary Kerrigan, John Kaylor, Katherine Noland, Roy Smith, Veronica Sikora, Mary C. Solson, Etheloid Wiedinger.
Room No. 4, Marietta Brookman, Mercedes Burns, Veronica Bradley, George Dorrer, Ruth Fleckenstein, Elizabeth Galla, Mary O'Hara, Gertrude Harry, Katherine Keller, Anthony Licking, Joseph Lennor, Teresa Murphy, Joseph Minsterman, Francis Moyle, Joseph Mayfield, Elizabeth McDonough, Mervius Mickelowski, John McGrath, George Ranker, Teresa Rankin, Harry Smith, William Shomer, Edward Tipping, Mary Walsh, Thomas Sheann.
Room No. 3, Mary L. Beucher, Louise Madigan, Kathleen Gallagher, Imogene Ahl, Cecelia Murphy, Margaret Parr, Catherine Pannoy, Catherine Licking, Anna Solson, Sarah Fleckenstein, Gladys Noland, Mary Aldridge, Josephine Zimmerman, Rosa Mickelowski, Edward Taylor, Frank Cunningham, Fred Dorrer, Anthony Wagner, Joseph Schindler, Joseph Taylor, Regis Lowrey, Elizabeth Coyne.

Do You Feel This Way?

Do you feel all tired out? Do you sometimes think you just can't work any more at your profession or trade any longer? Do you have a poor appetite, and lay awake at night unable to sleep? Are you nervous all gone, and your stomach top? Has ambition to force itself in the world left you? If so, you will. Dr. Pierce's Golden Medical Discovery will make you a different individual. It will set your lazy liver to work. It will set things right in your stomach, and your appetite will come back. It will purify your blood. If there is any tendency in your family toward consumption, it will keep that dread destroyer away. Even after consumption has almost gained a foothold in the form of a lingering cough, bronchitis, or bleeding at the lungs, it will bring about a cure in 98 per cent. of all cases. It is a remedy prepared by Dr. R. V. Pierce, of Buffalo, N. Y., whose advice is given free to all who wish to write him. His great success has come from his wide experience and varied practice. He has treated thousands of cases of many-grabbing, dealer in taking inferior substitutes for Dr. Pierce's medicines, recommended to be "just as good." Dr. Pierce's medicines are of known composition. Their every ingredient printed on their wrapper. Made from roots without alcohol. Contain no habit-forming drugs. World's Dispensary Medical Association, Buffalo, N. Y.

OPENS THE WAY

For Increased Coal Sales in Dominion of Canada.

WASHINGTON, Feb. 1.—The new tariff agreement with Canada, submitted to congress today, provides the way for additional sales of coal in Canada by West Virginia operators. The duty on coal imported into America from Canada remains the same but that on coal imported into Canada from America is reduced from fifty-three to forty-five cents a ton, opening the way for increased sales. Under the coal schedule Canada figures that it is remitting \$455,000 in duties annually on present shipments. The provision that rough lumber shall be admitted into the United States from Canada free of duty and that the duty shall be reduced on dressed lumber may have an effect on the lumber business in West Virginia. The United States considers its maintenance of duty on lumber will amount to \$1,222,000 annually.

Representative Gaines of Charleston, W. Va., who is on the ways and means committee, to which the agreement was referred in the house, said tonight that he had not yet made a thorough study of the agreement but that his first opinion of it is unfavorable. His opinion is already being shown toward the agreement by many interests and a hard fight is expected to the question of ratification.

Dr. Sherman's Condition.
The condition of Dr. Harry Sherrick of Charleston, who has been seriously ill at his home in Charleston for the past week or more, remains the same. His condition is critical.

Nox McCall, a son-in-law of Mr. Overholt, and Mrs. C. C. Law, Mrs. Alice C. Overholt, a daughter; W. S. Overholt, an only son of the distiller, and a number of the grandchildren of the aged man, were with him when he passed away.

Our Annual Clearing Sale is, as Usual, Rich in Opportunities to Buy the Best Pianos the World Affords.

A Dozen of the Oldest and Best Known Makes of Grands, Uprights and Player-Pianos are Included, Such as Chickering, Knabes, Hardmans, Estey, etc.

An Opportunity for One's Piano Money to Earn 20 per cent. a Year. An Annual Sale which is Unlimited in the Variety of its Offerings and Unequalled in the Merit of its Bargains.

If you are thinking about buying a piano: If you ever expect to buy a piano; If you can pay cash for it; Or, pay for it by installments; Then this Clearing Sale of ours offers you an unequalled opportunity. The money you have to put into a piano will earn you 20 per cent. a year. The opportunity is two-fold: 1st. On account of the prices. 2nd. On account of the high character of the piano.

About Prices
The prices during this and all of our preceding Annual Clearance Sales are reduced to actual factory cost and selling expense. In quite a few instances we do not even add the selling expense. No profit is made during this sale. No profit is asked. We simply give you pianos in even exchange for your money.

We do not do this the whole year round. We can't do it. The remainder of the year goes to make the profit that every legitimate business is entitled to. But one buying a piano from us now—helping us to clean up our stock—helping us reduce stock before inventory—gets the benefit of a price that simply cannot prevail every day in the year and permit a dealer to remain in business.

About Qualities
The high character of our piano business is too well known to need a word from us. The merits of many of the pianos we sell were established years before we were in the piano business—and this is our 20th year.

Two-thirds of our entire stock comes under the rules of this sale. This means that two pianos out of every three on the floors of our entire twelve stores are subject to the conditions of this sale. It is a magnificent lot of pianos. Scores of them are from the best makers.

Out-of-Town Customers
During this sale, as in previous years, stock sheets are exchanged each week with all of our 12 stores, so that each and every store knows what pianos are available at each of our other stores. We can thus furnish out-of-town buyers with authentic lists of all instruments included in the sale, a brief description and photographs of the instruments, together with prices—so that those having at points inaccessible to one of our stores can buy as intelligently as though they were selecting the pianos directly upon our floors. Write at once.

W. F. Frederick Piano Co.
